On or about the 15th or 16th day of Aug. 2007, I "Benny Willis", spoke with my niece "Marquitta Willis", who for warned me of the fact that a "Inspector Box", of the University Park Police Department, had her building manager call her down stairs to the office where she was interrogated about the people who were on the building's surveillance tape bringing her grocery into the building she lives in. Inspector Box, specifically wanted to know who was the tall light complexion man on the tape with her. Inspector Box was so fixed on knowing who I am, he threaten to have my niece's children taken from her, also, he threaten to have her kicked out of her apartment if she did not tell him who I am. Not wanting to experience neither of the two my niece told Inspector Box that I am her uncle And where I live. After, learning my identity, Inspector Box told my niece he was going to do everything in his

power to make sure I go to prison until he retires. Obviously, hearing this baffled me so, I was expecting to be confronted by officers that day. Which didn't happen until "Aug. 23, 2007". While riding as one of several passengers in my mother's car. As she drove north bound on Western Ave. we were being followed by the police. When she stopped for a red light, two officers jumped out of their individual cars, one in front, the other in back of us. I was snatched out of the back seat, thrown to the ground, then, I was handcuffed and rushed to the "University Park Police Station". At the station I asked officers why had I been arrested? Inspector Box, proceeded to explain to me that the day before "Aug. 22, 07", they spoke with "Pierre Felder", who allegedly implicated me as being his accomplice in a robbery that occurred on the 13th or 14th of Aug. 07. Making officers aware of the fact that I knew nothing about a robbery, they took me to a room and showed me a audio tape of "Pierre Felder", smoking cigarettes in a smoke free environment as he mumbled something that neither one of us could hear. For, "Mr. Felder, was

extremely intoxicated. Realizing this "Inspector Box", showed me a hand written statement supposedly written by "Pierre Felder". As I read the statement I didn't see my name "Benny Willis", wrote anywhere within the statement. I was interrogated for approximately twelve hours, I wasn't shown a arrest warrant, I wasn't placed in a line up, there wasn't a search warrant of any sort, no one read me my rights. That night around 8:30 or 9:00 p.m. I was transported to the "Crete" police station where I was held over night until Aug. 24, 2007, the day in which I was transported to the "Will County Adult Detention Center", held in the care of Sheriff Department. The states attorney office here at Will County has made it their business in every imaginable way to prevent me from showing the court that there is no probable cause for my arrest. The states attorney office is also withholding exculpatory evidence from the court. For, they are aware of the fact that there are three "Affidavits of merit", that could establish my innocence, but, they ignore the existence thereof. Intentionally, denying me rights guaranteed to me by the laws of this country. Please see court records in there entirety.
